FEEDBACK POLICY

INTRODUCTION

The institute ensures to provide the best curriculum through the combined feedback collected from all its stakeholders. The stakeholders are students, Faculty Members, Alumni and Employers. The feedback is collected at the end of each semester/ academic year through online mode. The collected feedbacks are analysed and corrective actions are taken.

FEEDBACK MECHANISM

The feedback obtained periodically from different stakeholders is very helpful in improving academics and encourage students and teachers performance. Feedback links are shared with all stakeholders via our institution website for collecting the feedback and a specific timeline has been allotted for the process. The feedbacks are taken into consideration and the corrective actions are made by the committee under IQAC including Principal and Hods. If necessary, these are forwarded to the management, for further actions.

CONSOLIDATION AND CORRECTIVE ACTIONS TAKEN:

1. IQAC has created a committee to evaluate the feedback reviewed form departments on the aspects associated with the curriculum and also to point out the guidelines for execution.
2. Special training is provided to the students to improve their interpersonal skills and Communication skill
3. All department were conducted works with Hands on Training for the development of students.
4. All department were arranged Industrial visits to get exposure on real time applications and work environments
5. The faculty members and students provided with all the facilities to successfully participate and complete the courses like NPTEL and SWAYAM
6. In order to stay updated regarding the recent advancements in the academic and professional sectors, the faculty and the students shall organize and conduct national/ international symposiums, seminar, workshop and conferences.
7. Faculty members shall updated regarding recent technical innovations by attending FDPs
8. To achieve better results in analytical papers, additional classes are provided to the students
