Dear Students,

Training and Placement Cell, Hindi Seva Mandal's, Shri Sant Gadge Baba College of Engineering and Technology, Bhusawal in Association with *Internal Quality Assurance Cell* have organized an **Expert Industrial Lecture** entitled as "*Preparation of Career and Industry Expectations*" for all students of *Second Year, Third Year and Final Year B.Tech* of all departments on **18.11.2022 (Friday)**.

It's important to have industry knowledge and its expectations because it allows you to stay updated and informed of constant trends and changes that might occur in your professional life. Some employers prefer to hire knowledgeable employees with advanced industry experience. This is often because you can typically apply your industry knowledge to develop and submit quality tasks that improve the company's performance, increases revenue and make you stand out from competitors. You can typically discuss this industry knowledge during interviews to impress hiring managers and stand out from other candidates.

Keeping the view of your **Campus Interview** preparations, this session is being arranged for you all students. All **Second Year, Third Year and Final Year B.Tech** students are directed to compulsory attend this Industrial Expert Lecture in College Campus.
