EVENT REPORT

A Seminar on Titled “**Falcon 9 by Space X a revolution in commercial Space Travel**” was organized by Mechanical Engineering Department Training and Placement cell. This event was an excellent content for understanding the effect of CAD on engineering and to clear their idea about choosing the career in CAD.

The event was organized in Seminar Hall of mechanical Engineering Department on 26 July 2018 at 11:15 AM. The speaker Mr. Akshay Joshi from CAD CAM GURU Pune conducted the seminar nicely in presence of prof. I.D.Paul, Prof. A.S. Sathawane and Prof. M.P.Badgujar.

There were 95 students from Final year Mechanical Engineering for this seminar. Some memories (Photos) of the event are as follows.

Event Report

The training and placement cell and Mechanical Engineering department organized the Skill development program for Mechanical Engineering students. The course was organized on limited entry bases. The students of S.E./T.E. & B.E of Mechanical participated and gained the skills. Around 17 students registered for the course and the duration for the course was 01 Months. The instructor Mr Rushil Gove groom the students for two hours daily after the college hours in cad lab of mechanical Engineering department.

The **Expert Mr. Rushil Gove** has developed the students skills very efficiently in the presence of Prof. I.D.Paul, Prof.M.P.Badgujar, Prof. A.S.Sathawane and Prof. Y.B.Patil.

The course was scheduled from 11/09/2019 to 04/10/2018. All the students received the certificate for this course. Glimpse of the event are as follows.
