IOT Workshop Report

Date: 22.08.2019

Shri Sant Gadge Baba College of Engineering and Technology, Bhusawal organized a workshop on real time applications using next generation IOT Technology on 22-08-2019 from 10.30 am onwards. The main objective of the workshop is to create the awareness about the latest trends in IOT in the current IT Industry and the rapidly changing life styles. The workshop was inaugurated by Prof. I. D. Paul, Training and Placement Officer and Prof. R. A. Agrawal, Associate Training and Placement Officer and Incharge of IOT Workshop. The instructor of the workshop Mr. Sunil Joshi, Chief Technical Officer at V3 Data Solution, Nasik, Maharashtra was honored and welcomed by the entire Training and Placement Team as well as all the students of SSGBCOET.

a. Felicitation

The workshop began with an overview of IOT and the interesting facts about IOT. To provide more insight into this matter, Mr. Sunil Joshi has **delivered** an excellent talk on both theoretical as well as hands on experience in IOT technology to interface different things for different applications using raspberry pi/ **Ardino** with devices such as **Led's, Sensors, Actuators** etc. He also added

that IOT is one of the most exciting trend and innovation in the wide range of applications like **Healthcare, Entertainment, Appliances, Defence** etc

b. Students Participation during the IOT Workshop

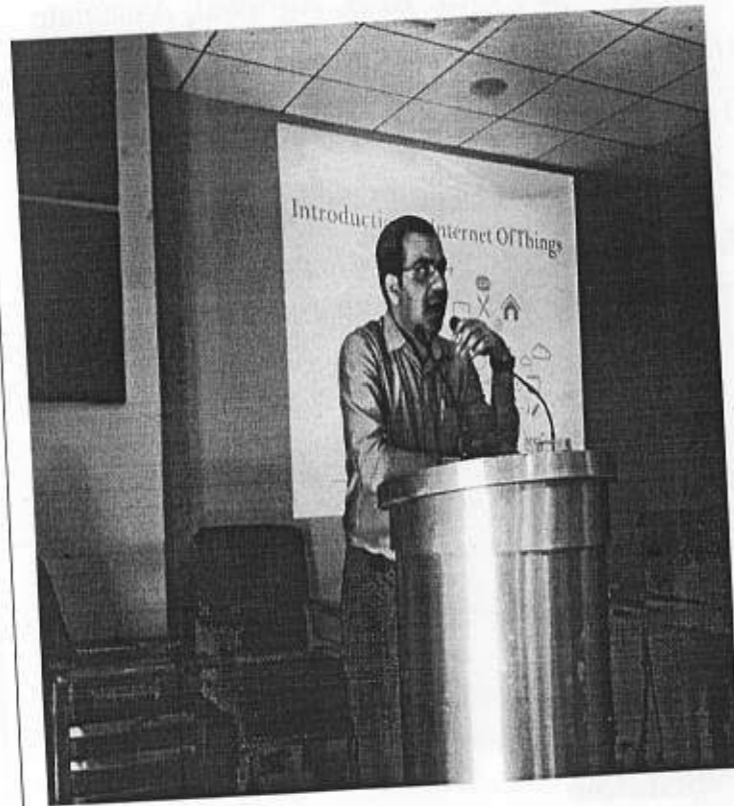

c. Delivering Information about IOT

b. Students Participation during the IOT Workshop

c. Delivering Information about IOT

d. Interacting with Students during Workshop

Mr Sunil Joshi has also demonstrated various sensors and real life models of IOT to students which has created a huge interest among the students. At the end of session, as a motivating thought Mr Sunil Joshi said that students should learn IOT as it is a very interesting technology with huge job opportunities. The valedictory session was graced with the presence of various faculties of college including Prof. S.K. Chaudhari, Prof. G. P. Tembhurnikar, Prof. D. G. Patil and many others. The students quoted that this workshop was very useful for them and requested the T&P cell to organize and conduct such workshops even more in upcoming days.

The workshop was attended by 437 students present for the session (Civil-44, CSE-98, Electrical -98, E&C 44, & from Mechanical - 155).
