Program Photo

The image is a screenshot of a Zoom meeting. On the left side, a presentation slide is displayed. The slide has a light green background and contains the following text:

"Trained and efficient labours are human capital."

Population Growth → require higher production → Encourage innovation in technology

According to Neo classical growth model population growth is beneficial for economy due to the fact that it promotes the need for some sort of changes in technology in order to meet the rising demands of goods and service.

Increase in per capital income:

Population increase → Demand increase → Promote production of different kind of products

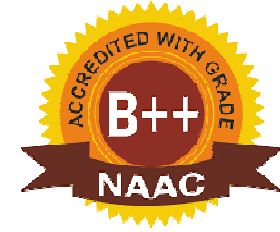

The slide also features two small images: one of a hand holding a coin and another of a person's face. A small video thumbnail of a woman is visible in the top right corner of the slide area.

On the right side of the Zoom window, a grid of participants is shown. The participants are:

- Alex Fedor
- Sahiba Dhande
- Ram Agrew
- Srikanth Dhande
- Dr. Rahul Raj Jais
- 22 others
