Respected President of Hindi Seva Mandal and today's function Shri Milindji Agrawal, Secretary of Hindi Seva Mandal Smt. M.D. Sharma Madam, today's chief guest, Hon. Professor Vedala Rama Sastri – Prof. NIT, Surathkal and Director of GITAM School of Technology, Bangaluru, today's guest of honour, Hon. Prof. Dr. Harshadeep Shyamkant Joshi – Director, Admin and Finance, DBATU, Lonere, Adv. M.D. Tiwariji, Treasurer of Hindi Seva Mandal, Shri Satyanarayanji Godyale, working president of Hindi Seva Mandal, Shri Prakashji Girirajji Sharma, vice-president of Hindi Seva Mandal, Shri Gopalchandji Tarachandji Agrawal, vice-president of Hindi Seva Mandal, Shri Bisenji Agrawal, Joint Secretary Hindi Seva Mandal, Shri Rameshji Nagrani, School Committee Chairman of Hindi Seva Mandal, Shri Pankajkumarji Sand, Chairman Gymkhana, Hindi Seva Mandal, other members of the Hindi Seva Mandal, Principals from other institute's of Hindi Seva Mandal, teaching and non-teaching staff members, parents and my dear students, I welcome all of you to Antarang-2026.

It is indeed a great pleasure to present the annual report of our college, its developments and achievements. Dear Friends this year is special as our parent body, Hindi Seva Mandal has completed 75 years of paving

HINDI SEVA MANDAL'S (ESTD. 1950)
SHRI SANT GADGE BABA
COLLEGE OF ENGINEERING & TECHNOLOGY

Shri Sant Gadge Baba's principles about education to all in society. We had a grand celebration on 13th January 2026. We all are proud of this Journey of 75 Years.

As, Hindi Seva Mandal has celebrated its 'Amrut Mohotsav' this year, SSGBCOET has also contributed to the glory of Mandal by achieving success on all facets. What SSGBCOET has achieved during this academic year was not one night miracle but it is the outcome of planned small targeted moves during the long journey that SSGBCOET family is looking ahead. We are taking efforts and that efforts are turning into success due to blessings of forefathers and founders of the Mandal. I pray to Shri Sant Gadge Baba and our forefathers and founders of the Mandal.

When we talk about dreams, when we talk about efforts, when we talk about success, and when we talk about the achievements of SSGBCOET, Dear friends, it will not be possible for me to move ahead without remembering Our Beloved Bhaiyyaji. He was and His thoughts are the true inspiration behind the work that we are doing here at SSGBCOET. I believe that even today Our Beloved Bhaiyyaji is showering constant blessings and support from heaven during this journey. I always take inspiration from his thoughts and memories and pay tribute to him.

Dear Friends,

SSGBCOET has witnessed many achievements, many quality changes, with the aim of holistic development of students during the year 2025-26. Our campus is witnessing vibrant activities across all the domains covering autonomy, starting of new courses, innovation, academic, co-curricular and the extra-curricular activities, IPR-IKS-NEP and research as well.

About Academic Year 2025-26:

Dear Friends, as I was telling you that we at SSGBCOET are doing a targeted journey of excellence and this year our target was bigger, Yes dear friends, During the academic journey of more than two and half decades, our institute was awarded with **A Grade** by our old affiliating University, i.e., K.B.C. North Maharashtra University, Jalgaon. We were accredited by National Board of Accreditation, New Delhi for Mechanical, Civil and Electronics and Telecommunication Engg. Branches in 2012. Then we have achieved NAAC Accreditation with **A+** grade with a CGPA of 3.33. And the biggest target this year was of achieving or getting conferred with autonomy. I want to proudly say that with firm support of Management of Hindi Seva Mandal, Blessings of Shri Sant Gadgebaba and extreme efforts of staff, SSGBCOET family is again appreciated and this time appreciation was by UGC, New Delhi.

Yes Dear friends UGC, New Delhi appreciated our institute's progress by conferring autonomy to our institute for Ten Years. I'm happy to declare that the Autonomous batch of first year B.Tech., M.Tech. and M.C.A. of SSGBCOET has commenced from A.Y. 2025-26.

At present, we are running seven UG Programmes, six PG Programmes and two Ph.D. Programmes. We are intended to do some changes on Diploma, UG and PG level also and applied to AICTE for that. I am hoping for best on this front also.

Academics in the Institution :

At SSGBCOET, Serious efforts are taken to teach the entire curriculum in classes. We plan the activities and seriously implement the academic calendar. Our mentors take additional efforts for overall development of the students. For better and quality placements, we conduct additional HR activities, training programmes, specially on Python, JAVA, Data Structure, Machine Learning, etc.,. Very soon, we are going to begin Apple Certification Programme for our students.

Our two faculties, Prof. Ram Agrawal & Prof. Aniket Pathak have completed Apple certification and now both these are Apple Certified Trainers and very soon we will start to teach Apple curriculum for our students. This will help for quality placement of students as well. Apple

is having 300 hours extensive training program but we are in talk with Apple Training centre to develop and run a curriculum of 30 to 40 hours so that it can be treated as one subject under autonomy so that credit transfer of 2 to 3 credits can be awarded to that training or curriculum.

Students Induction Programme

We have implemented new educational reforms of AICTE and started 27th Academic Year 2025–26 with AICTE mandated Students Induction programme. 'Induction Program', included activities like professional training, bridge courses on the fundamental topics, lessons on Universal Human Values, Department level orientation, introduction to the professional bodies, physical training, sessions on soft and life skill training, New Education Policy (NEP), Indian Knowledge System (IKS), Intellectual Property Rights (IPR), yoga, etc. followed by a valedictory function.

Academic Results:

I can proudly say that every year our college has achieved 90% overall result in University examinations. I am also proud to report that till date SSGBCOET's technocrats have secured more than 20 gold medals in North Maharashtra University which was our old affiliating university and this tradition of achieving merit and gold medals have

continued in Dr. Babasaheb Ambedkar Technological University, Lonere too. One more thing I want to proudly state that our 100% students of FY diploma got promoted to Second Year.

About Placements and MoUs:

As a part of *Train, Evaluate and Place strategy* SSGBCOET have signed several memorandums of understandings with many renowned organizations this year. Training and Placement Cell in Association with GTT and Barclays has organized and conducted the Life Skills training program for 300 students of SSGBCOET, Bhusawal. Beside this, T&P Cell in association with IIC and IQAC has organized and conducted “HEDERA” Certification for approx 500 students. Also, Many students have achieved their Python Programming Certification from reputed platforms such as InfosysSpringBoard, Skillect and many more.

ICT facility Up gradation:

We are continuously upgrading ICT facilities in our institution. After MoU with Apple and dedicated set up of i-Mac Apple Lab, this year we have upgraded our administrative building classrooms with centralized air-conditioned system. ‘High Resolution AI Smart Boards’ are set up in all the classes of Administrative Building and few from E & Tc. Building. We are having latest highly configured branded 550+ computers, high speed internet bandwidth, network printers, CCTV

Cameras, etc. We are in process of purchasing more PCs/machines within 2-3 months. I am really thankful to management of Hindi Seva Mandal for giving us free hand for these policy decisions and availing such high end facilities to staff and students of the institute.

Staff Training and Welfare:

Dear Friends our nation have kept a target of **Viksit Bharat**, i.e. to become a developed nation by 2047 and we know that the foundation of a strong and prosperous nation lies in its youth. Trained and well educated engineers and skilled mind can contribute radically to the development of society and nation too, so, we are inculcating the culture of workshops and FDPs at SSGBCOET. This tradition is further reinforced by invited lectures by various departments. Number of talks and lectures were organized throughout the year on various topics. Recently we had arranged training on Effective teaching Methodologies, NEP, Research and Quantum Technology for staff members and students of SSGBCOET. Apart from staff we have arranged many training sessions for students also which included topics like Moral Values, Ethical Behavior and Improving soft skills. IPR-IKS-NEP sessions were arranged. Participation was by both UG and Diploma students.

Outreach activities:-

Many Outreach activities are arranged by UG and Diploma students like food to needy, blanket distribution, environmental awareness camp, Importance of Tree Plantation and many were planned and executed to address different social and environmental issues. 150th anniversary of 'Vande Mataram' is also celebrated on 7th November 2026.

Sports:-

Sports is yet another field of excellence at SSGBCOET. Our student, Ashutosh Santosh Bhoi of SY-B.Tech. (Computer Science and Engineering) had participated in All India Inter University Yoga Competition held at Vels Institute of Science, Chennai. This student was also a member of Dr. Babasaheb Ambedkar Technological University, Lonere's Yoga Team in the academic year 2024-25. We are taking extreme efforts to foster the culture of sports and sportsman spirit among the students for their overall development. Students of Diploma also participated in different sports competitions.

The Faculty and Students:

SSGBCOET's staff have done extraordinarily on IPR and Patenting. This year also, many faculties have registered their patents and intellectual property rights. Many Staff members upgraded their qualification. Dr.

Kishor Chaudhari and Dr. Manish Mata achieved their Ph.D. this year. Many staff members are on the verge of completing their Ph.D.

We have again published more than 50 research papers and book chapters this year. Many faculties participated in different FDPs. Staff of SSGBCOET is always engaged in self improvement activities.

Apart from academics, SSGBCOET is keen on holding activities to boost culture of Innovation and Start Up. Institution Innovation Council is doing good activities for same. SSGB's 'Institution Innovation Council' activities are also arranged according to guidelines provided. We were awarded with **3-Star category** by Ministry of Human Resource & Development. Till this month we have completed all the targeted activities according Institution Innovation Council calendar.

I want to proudly mention that SSGBCOET's team Nextgen Innovators was there in final round of smart India Hackathon. I want to congratulate Shreyanshi Patil, Pranab Roy, Tanay Patil, Karan Pansari, Tejas Jaware, Vaibhav Satdiwe and mentor of the team Mr.Aniket Pathak and Mr. Abhijit Ingale for splendid performance in smart India Hackathon 2026. Our PG Student, Anushka Gujar, secured a Gold Medal at the Zonal Level and a Silver Medal at the University Level in the Avishkar Research Competition. She also represented her research project at the State Level Avishkar Research Competition. The state-

level event was held at Vasant Rao Naik Marathwada Krishi Vidyapeeth, Parbhani. Her participation at this prestigious platform brought pride to the institution and will encourage research activities among students. Students took extensive participation in completing at least one course on online platforms like NPTEL/SWAYAM and MOOCs achieving 3-Golds, 11-Silvers and 21-Elite NPTEL certification. Institute appreciated their efforts in different ways. According to guidelines of DTE most of the students of institute have enrolled to different courses of Quantum Computing on different platforms. In the month of April SSGBCOET is hosting a grand National Technical Fiesta namely "TECHZEALOT".

Social Initiatives:

At SSGB, we have arranged several Green initiatives awareness program, quiz competition, electoral literacy programme and expert lecture to celebrate **"AAZADI KA AMRIT KAAL and VANDE MATARAM 150th Anniversary"**. Sant Gadge Baba's Punyatithi (death anniversary) is observed annually on **December 20** to commemorate the life of the renowned social reformer, saint and our constant source of Inspiration. His work in sanitation, education, eradicating superstition and his philosophy of selfless service is remembered by different activities.

Different activities are arranged for students, Staff and different classes of society as Hindi Seva Mandal celebrated '**Amrut Mohotsav**'.

Staff and Students conducted and participated in different activities in relation to 'Indian Knowledge System'. "Swach Bharat Campaign" was conducted in college campus to create awareness about cleanliness, "Beti Bacho Beti Padhao" movement related activities by students in surrounding rural areas for support cause of women empowerment and Save Girl Child.

CONCLUSION

There are many more things are to be told and many more to mark as achievement but, I know that, you are eager to, grab your prizes, so I'm taking pause, as the numerous other achievements, of the College will be published in college report.

On this note, I would like to conclude by once again thanking the Almighty for all his blessings to our institutions and I am grateful and highly obliged towards our Management for their constant support in all initiatives, achievement and success. Last but not the least, I would

HINDI SEVA MANDAL'S (ESTD. 1950)
SHRI SANT GADGE BABA
COLLEGE OF ENGINEERING & TECHNOLOGY

like to thank all my staff members for their continuous support, efforts they put in for achieving our goals and dreams.

Lastly I want to say

"स्वप्न पाहणे सोपे असते, पण ते पूर्ण करण्यासाठी अपार कष्ट आणि जिद्द लागते प्रयत्न .
नका सोडू कधीही करणे, अपयश हा यशाच्या मार्गातील फक्त एक टप्पा आहे."

Yes Friends,

वह मुसाफिर क्या जिसे कुछ शूल ही पथ के थका दें?

हौसला वह क्या जिसे कुछ मुश्किलें पीछे हटा दें?

जितना बड़ा होगा सपना, उतनी बड़ी होगी तकलीफें और याद रखना, जितनी बड़ी होगी तकलीफें, , उतनी बड़ी कामयाबी होगी।

**So go on dreaming together, So go on dreaming big, as A Long Journey
we have to go.....Together.. Thanks.....!!**
